

Employment Opportunity – Field Hockey Technical Director

Sask Field Hockey is the non-profit organization whose purpose is to promote and develop the sport of field hockey in Saskatchewan. The organization offers a wide variety of programs, including grassroots, competitive, officiating, and coaching opportunities to all age groups.

At the end of this summer, Sask Field Hockey will be hiring a new, full-time Technical Director. We are seeking a creative, motivated and talented communicator to lead the organization with all on-field activities.

Reporting to the Executive Director, the Technical Director is responsible for the development and delivery of all grassroots and competitive programming in the province. While working within the scope of the organizations strategic plan, the successful candidate must possess the ability to promote and develop introductory youth programming, while also overseeing all aspects of the high performance provincial teams. This position is also responsible for the development of all officiating and coaching in the province.

Critical Behaviors

- Superior oral and written communication skills.
- Exceptional organization skills.
- Able to prioritize tasks and manage short and long-term schedules.
- Able to work independently or in collaboration within a group.

Qualifications

- Possess or able to work towards field hockey Competition Development Coaching Certification (former Level 3) in the near future.
- Playing or coaching field hockey experience at the provincial level or higher.
- Possess a valid driver's license, a reliable vehicle, and a willingness to travel within the province.

Assets

- Degree in Education, Health-related field, or equivalent.
- Current Learning Facilitator or a desire to become one.
- Familiar with the Long-term Athlete Development model of physical literacy.
- Experience developing short and long-term athlete and team plans.

- Experience with the Sask Sport organizational model and non-profit organizations in general.
- Experienced project manager.
- Experienced with basic office operations.

Salary

- Depending on education and experience.
- Includes attractive benefits and professional development package.

Timelines

- Estimated Start Date is flexible between September 1 – October 31, 2010.
- Deadline to apply is **July 15th, 2010**.

This position may be split into two part-time roles under certain circumstances.
